48 Allen St  
New York, NY 10002

Dear Chinese Christian Herald Crusades:

I am pleased to extend my warmest greetings to all gathered at Flushing Clean Up Day, organized by Chinese Christian Herald Crusades.

Flushing Clean Up Day focuses on hygiene and health awareness of contagious diseases that are spread through unsanitary practices like garbage mismanagement and household sewage runoff. On this day, more than 100 volunteers will work diligently to raise awareness on the importance of keeping our community healthy and safe by cleaning up sections of Main Street. I commend Chinese Christian Herald Crusades for coordinating this event as well as a pledge drive asking residents not to litter and an educational workshop on public health issues at the Flushing Branch of the Queens Library.

Flushing is a wonderful and diverse community where thousands of people live and work. Chinese Christian Herald Crusades and the volunteers of Flushing Clean Up Day deserve an enthusiastic thank you for their unwavering commitment to improving our neighborhood for future generations.

Please accept my best wishes for a wonderful day and much success!

Sincerely,

Grace Meng
